Sir,

COMMUNITY PROJECT--South Kanara--Health & Rural
Sanitation--Supply of medicines to the Primary
Health Centres by M.S.D.--Certain objections--Re.

REF: Letter No.117/G. 55-34027 dt.3-1-1956.

In accordance with the instructions issued

pp 11-12 of 7 (B) In G.O.Ms.No. 2094 Pub. (R.D.P.) Dept. dt. 6-7-1955, the
annual medical indents in respect of Primary Health
Centres, Bajpe and Hebri of this Community Project area
were forwarded to the M.S.D. through the Director of
Medical Services, Madras for compliance with my letter
No.2649/55 dated 15-9-1955. The indents were counter-
signed by the Director of Medical Services and forwarded
to the M.S.D. with his letter No.99324/M/55 dt. 27-10-1955.
As the stock of certain medicines and drugs has exhausted
in both the Primary Health Centres, the Dy. Asst. Director
General, M.S.D., Madras was requested in my letter No.
2649/55-C dt. 16-11-1955 to comply with the indents early.
In the meantime, both the Medical Officers, Bajpe and
Hebri, i.e. indenting officers were informed by the M.S.D.
that their indents can be complied with only if they are
enrolled as regular indentors on the M.S.D. A copy of
this communication is enclosed for kind perusal. In reply
to the communication referred to, I invited the attention
of Dy. Asst. Director General, M.S.D., Madras to Govt. Letter
No.1455 Pub.(R.D.P.)V/55-1 dt. 22-2-1955 and requested that
the indents in question may be complied early. But the
Dy. Asst. Director General, M.S.D. Madras has again replied
that it is not possible to comply with the indents in
respect of individual institutions under the administrative
control of the Project Executive Officer, unless the

P.T.O.

institutions are entolled as regular indentors to the M.S.D. or unless a consolidated indent for all the institutions is submitted from the Project Executive Officer's Office.

Below
A copy of my letter No.2649/55-C dated 14-12-1955 and the reply thereto from the M.S.D. is enclosed for kind perusal.

In this connection, I submit that it is quite difficult to consolidate the indents in my office and even if the indents are consolidated, it will create a lot of confusion in distribution among the institutions. Moreover, many essential items of drugs and medicines have been exhausted in the Primary Health Centres and I have received proposals from the Medical Officers for local purchase of certain drugs which are urgently required. It is, therefore, necessary that the annual supply of medicines is made as quickly as possible. If the consolidation of indents is insisted upon, it will not ~~may~~ only result in difficulties aforesaid but also further delay in supply.

I, therefore, request that the Govt. ~~may~~ kindly be pleased to make special arrangements with M.S.D. for the compliance of annual medical indents in respect of the two Primary Health Centres of this Community Project area as quickly as possible.

Very early orders are solicited.

Yours Faithfully,

[Signature]
Project Executive Officer

The stores required by your institution can be supplied provided the institution is enrolled as a Regular Indentor on this Depot.

For the enrolment of this institution as an indentor, the sanction of the Director General of Health Services, New Delhi-2 is necessary as this Depot is a State enterprise under ~~his~~ his control.

A copy of the usual terms and conditions on which institutions are enrolled as Regular Indentors on this Depot is enclosed. Please address the Director General of Health Services, New Delhi-2 for enrolment accepting these terms and conditions, through the Director of Medical Services, Madras.

The programme as to when the indent of your institution for Medical Stores should be submitted to this office each year will be intimated to you on receipt of the enrolment orders from the Director General of Health Services, New Delhi-2.

I invite your attention to the letter No.1455/Pub.

p5 yg ⊗ R.D.P.V/55-1 dt. 22-2-1955 in which it has clearly been stated that the Project Executive Officer, Mangalore has already been enrolled as a casual indentor on Medical Stores, Depot, Madras for stores required for use at the Primary Health Centres etc. in his area. As this institution in question is under the control of the Project Executive Officer, the medicines as per the ~~the~~ indent may be supplied urgently. b 5 q 8 (X) The letter No.1455 Pub.(R.D.P.)V/55-1 dt. 22-2-55
of the Director of Community Projects, Madras to this Depot
cited by you states that stores pertaining to the P.H.
Centre, Hebri should be supplied to you.

p 11 q 8 (H) Your attention is invited to the D.G.H.S., New Delhi
letter No.3-146/54-S.II dt. 14-6-1955 to the Director of
Community Projects (copy enclosed for ready reference)
wherein it is stated that institutions under the control
of Project Executive Officers indenting individually must
be enrolled separately as regular indentors on this Depot.

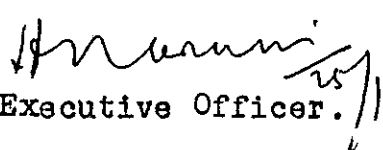

As separate indents have been submitted for the P.H.
Centres at Hebri and Bajpe, it is necessary that these
must be enrolled as regular indentors.

In case you desire the stores for these indents to
be sent to you direct, the indents will be returned to you,
and a consolidated indent for the various institutions under
your control may be submitted and distribution arranged
at your end.

If however indents are to be complied with indivi-
dually, please make necessary arrangements for the enrol-
ment of these institutions as regular indentors on
this Depot.

An early reply is requested.

In continuation of my report cited, I enclose
herewith 3 medical indents in respect of Primary Health
Centres, Bajpe and Hebri which have been returned by
the M.S.D. for consolidation and request that the
indents may kindly be forwarded to the M.S.D. with
necessary instructions to supply medicines and drugs
indented for without pressing for the consolidation of
indents or for the enrolment of Medical Officers in
charge of the institutions as regular indentors for
the reasons already explained in my report dated

2. He has stated that the indents for medicines required for use in the Primary Health centres at Bajpe and Hebri, forwarded by the DMS to the Medical Stores Depot, Madras has not yet been complied ^{with by} ~~with~~ the Stores on the ground that both the institutions are not enrolled as casual indentors on the M.S.D. Returning the indents to the P.E.O., to be by Ant.

pp 7 of

General, M.S.D. Madras ^{has} informed him that the medicines as per the indents will be supplied

provided a consolidated indent for ^{all} ~~the whole~~ medicines required for these dispensaries ~~is~~ sent as pointed out in the letter of

pp 11-12 of (H)

Director General of Health Service no 3-146/54 S:11 dated 14.6.55. But the P.E.O. ^{has} ~~stated~~ that it ~~is~~

is quite difficult to consolidate ^{these} indents in his office and even if the indents are consolidated it will create a lot of confusion in distributing among numerous institutions. He has also

pp 3 of

stated that he has received proposals from ^{the} Medical officers ^{in charge} of the institutions for local purchase of

2
certain drugs which are urgently required.

3. In this connection it may be stated that the course suggested by the Deputy Asst. Director General of M.S.D., Madras is to be followed in supplying medicines, as the Director General of Health Service New Delhi has clearly stated that each institution in the block administrative control of District Executive officers or Block Dist. officers should be enrolled as casual vendors in the M.S.D., Madras ^{and that if it is} ~~if this~~ is not feasible to enrol the individual dispensaries then it would be necessary ^{for} the officer ^{to send a} ~~should submit~~ consolidated indent to the M.S.D., Madras for all the dispensaries under their control and to arrange for distribution of stores on receipt. The P.E.O. ^{has} ~~was~~ ^{been} informed ^{about this procedure} in Asst. Memo No. 2564 P.W. (A.P.V.) P. 13 of of (H) 55-3 dated 22.6.55. ~~if the P.E.O. would have followed the instructions from the beginning then the difficulty would not have arisen.~~

4. In these circumstances, it is for order whether the P.E.O. may be asked to send a consolidated indent to the M.S.D., Madras for supply of ^{the} medicines.

As per Memo No. 2564 R.P.V. - 55-3 d 22.6.55. 9256 or whether the Director General of Health

Services may be addressed, as

Adc.

proposed by the D.E.O. for permitting, as a special case, the D.E.O. & B.D.O.s to send ^{separate} indents to the M.S.D. for each institution so as to avoid the difficulty of consolidating all the indents for all institutions and distributing

the slaves to after receipt from the M.S.D.

1 ⁸⁰/_{13/5} (The P.H.C's are going to be permanent and I will be unable to send them as indenters. I must send another file in which indentured workmen had been another as indenters). Pending with the P.Eo my custodian the indent and send it to M.S.D so that delay in supply may be avoided
